Our Mission

The primary goal of the Central University of Orissa is the all round development of its students. Located in the lush valleys of the Koraput region, the CUO aspires to be an ideal destination for outstanding academicians, scholars, and students. It strives to combine equity and excellence, the mandate of higher education in the country. It seeks to harness interdisciplinary research for nation building activities.

Prof. Sachidananda Mohanty
Vice Chancellor
Central University of Orissa, Koraput

Message from the Vice Chancellor

Another year has passed in the life of this young University, a significant year that has seen many landmarks, thanks to the all round support and cooperation of the stakeholders, students, teachers, non teaching staff, alumni, the UGC, and the MHRD, indeed, the support and good will of every one that counts.

During this period, we have successfully held an entrance examination in more than a dozen places, created computer centres and health centres, moved the boarders of the Boys' Hostel and Girls Hostel to our permanent campus, launched an array of infrastructural developments, including roads and storm water drainage systems, high-mast lights, boundary wall around the hostels and other requisites.

Today, our boarders enjoy State-of-the-Art facility in the hostels, and we can look forward to the completion of the Wi-Fi project on the campus. We have a modest counselling system as well. In this effort, we have been ably assisted by the State and Central Governments. Our academic ordinances are in place and we have complied with most of the requirements of the UGC and the MHRD. The CUO- HAL distinguished lectures programmes have brought some of the finest minds of the nation to our midst. Similarly we have organised many seminars and symposia around the visit of outstanding academics and speakers. If all goes well, early next academic session, we will have the visit of NAAC Pear Team.

We have advertised 65 faculty positions in the major disciplines that are taught at the Central University of Orissa. We are hopeful that we will be able to make adequate progress on the recruitment front.

Students, faculty and non teaching staff are that three important pillars that support the academic edifice. I thank all the three sections. I am sure our passing out students will give an excellent account of themselves. We welcome the new aspirants to this university.

Finally, I would like to thank all the members of the Admission Committee and Syllabus Committee for their exemplary and steadfast work. I thank, in particular, the OSD, Prof. B.P. Rath, the Dean, Academics, Prof. K.C. Raut and Dean, SBCNR, Dr. S.K. Palita for their leadership. I thank all units of the University for the team effort they have put in so commendably for the development of the University.

With best wishes all.

This is achieved through a rigorous and balanced curriculum that encompasses the current theoretical perspectives and methodologies of the discipline. Anthropology is unique and effective among fields that examine human behaviour because of its particularly intensive techniques of participant-observation research, its use of both qualitative and quantitative methods, and its ability to bring together a comparative and global perspective and the time depth of five million years of prehistory to the investigation of human problems. In response to an increasingly complex global job market and anticipated areas of employment growth, the Department prepares students for career success through specific concentrations in Applied Anthropology.

$$\text{SGPA}(S_i) = \frac{\sum C_i \times G_i}{\sum C_i}$$

Where 'C_i' is the number of credits of the 'ith' course and 'G_i' is the grade point scored by the student in the 'ith' course.

The CGPA is also calculated in the same manner taking into account all the courses undergone by a student in all the semesters of a programme, i.e.

$$\text{CGPA} = \frac{\sum C_i \times S_i}{\sum C_i}$$

Where 'S_i' is the SGPA of the 'ith' semester and 'C_i' is the total number of credits in that semester.

The SGPA and the CGPA shall be rounded off to 2 decimal points and reported on the grade sheet.

Minimum Grade Requirement:

Even if a boarder does not avail the mess facility, the boarder has to pay for twenty days (including breakfast, lunch and dinner).
- Hostel residents are expected to observe the rules and regulations prescribed for them as well as all the requirements of hostel community life and the social norms that living together demands. Each boarder has to give a written declaration to abide by the rules and regulations of the hostel at the time of admission and adhere the same in letter and spirit.
- Failure to observe discipline or violation of rules may make a student liable to disciplinary action which may result in the removal/rustication of a boarder from the hostel.
