

CUO organized Community Awareness Programme at its adopted villages

The Department of Teacher Education of the Central University of Orissa organized two days Community Awareness programmes at the adopted villages of the University on 2nd and 3rd of February 2017. The programme was conducted at Nuaguda, Chakraliput and Rajpalma villages. Prof. Sachdananda Mohnaty, Hon'ble Vice-Chancellor supported the event and motivated the students and teachers of the Department.

Trainee teachers of the 2nd Semester B.Ed. course organized rally, street play and door- to- door visit to create awareness about good health care, hygiene, sanitation, bad impact of Alcohol, watershed management and plantation among the villagers. During this awareness programme, students and teachers demonstrated activities by cleaning the village premises and distributed pamphlets and raise slogans with regard to health, sanitation, education and tree plantation.

The community awareness programme included various activities of students as well as teachers with the villagers of the adopted villages. Students and Teachers interacted with the villagers and explained the importance of

cleanliness, education, clean environment and bad impact of alcohol on the individual, on the family and on the society at a large. Students performed street plays and raised slogans to create awareness about various social evils.

In this connection, it may be mentioned that the University has adopted five villages namely Nuaguda, Chakraliput, Rajpalam, Chikapara and Balda of Sunabeda block adjacent to the University under the Unnat Bharat Abhiyan. The University is committed for the overall development of these adopted villages.
