CUO signs MoU with COATS for Tribal research and Development

Koraput 20/02 (OTNS): The Central University of Odisha (CUO), Koraput and the Council of Analytical Tribal Studies (COATS), Koraput signed a Memorandum of Understanding (MoU) today the 19th Day of February, 2022 for next three years to collaborate on issues of research and development concerning tribals and tribal areas of Odisha especially the undivided district of Koraput. On behalf of

the CUO Dr. Asit Kumar Das, Registrar and on behalf of the COATS Dr. P.C. Mohapatro, Director signed and exchanged the MoU in the presence of CUO Vice-Chancellor in-Charge Prof. S.K. Palita and COATS Professor Jagabandhu Samal on the dais and officials and faculty members of both the institutions. Prof. Palita expressed interest in the MoU to work in focused areas of social sciences, biodiversity, and journalism and highlighted its role in promoting the development of the marginalized sections of the society. He said "in the recent NITI Ayog survey Koraput

has been placed as the number one/or most improved aspirational district of the country in the field of Education. The culture, the traditions of the tribals need to be maintained and their economic status need to be improved. However, increasing deforestation and depletion of natural resources is a

case concern in the era of climate change. The signing of MoU is need of the hour in which both the institutions jointly support each other for the benefit of the Koraput region and specially for tribals life and livelihood". This is the renewal of the earlier MoU signed between the two premier institutions of academic excellence for the period 2017-2020 on the basis of which

they cooperated in promoting mutual academic interest, providing expert support for tribal welfare and community development, undertaking collaborative research, exchanging academic information and resources and using academia infrastructure and organizing lectures, conferences and seminars. Dr. P.C Mohapatro hoped that this renewed of MoU will help to promote the language, literature, art, culture and livelihood of tribals. Registrar Dr. Asit Kumar Das was highly optimistic of signing of MoU and promised that CUO will do its mighty to redefine areas of academics, make inroads into new frontiers and earn a new name for

the Koraput region. Prof. Jagabandhu Samal of COATS stressed the importance of MoU in upholding joint leadership and promoting hard work for documenting tribal heritage and culture in his address.

CUO renews MoU with COATS for tribal research

STATESMAN NEWS SERVICE
KORAPUT, 20 FEBRUARY:

The Central University of Odisha (CUO), Koraput and the Council of Analytical Tribal Studies (COATS), renewed its MoU to collaborate on issues of research and development relating to tribal areas of the state, particularly Koraput district.

The renewal is for three more years.

On behalf of the CUO Dr. Asit Kumar Das, Registrar and on behalf of the COATS Dr. P.C. Mohapatro, Director signed and exchanged the MoU in the presence of CUO Vice-Chancellor in-Charge Prof. S.K. Palita and COATS Professor

Jagabandhu Samal.

Prof. Palita expressed interest in the MoU to work in focused areas of social sciences, biodiversity, and journalism and highlighted its role in promoting the development of the marginalized sections of the society.

He said "in the recent NITI Ayog survey, Koraput has

been placed as the number one/or most improved aspirational district of the country in the field of education. The culture, the traditions of the tribals need to be maintained and their economic status need to be improved. However, increasing deforestation and depletion of natural resources is a case con-

cern in the era of climate change".

Dr. P.C Mohapatro hoped that this renewed of MoU will help to promote the language, literature, art, culture and livelihood of tribals.

Registrar Dr. Asit Kumar Das was highly optimistic of signing of MoU and promised that CUO will do its mighty to redefine areas of academics, make inroads into new frontiers and earn a new name for the Koraput region.

Prof. Jagabandhu Samal of COATS stressed the importance of MoU in upholding joint leadership and promoting hard work for documenting tribal heritage and culture in his address.

CUO inks MoU with COATS for tribal dev

PNS ■ KORAPUT

Central University of Odisha (CUO), Koraput and the Council of Analytical Tribal Studies (COATS), Koraput signed an MoU on Saturday for next three years to collaborate on issues of research and development concerning tribals and tribal areas of Odisha, especially the undivided district of Koraput.

CUO Registrar Dr Asit Kumar Das and COATS Director Dr PC

Mohapatro signed the agreement in the presence of CUO Vice-Chancellor Prof SK Palita and COATS Professor Jagabandhu Samal. Prof Palita wanted the MoU to work in focussed areas of social sciences, biodiversity and journalism. He said, "In a recent NITI Aayog survey, Koraput has been placed as the number one/or most improved Aspirational District of the country in the field of education. The culture, the traditions of the tribals need to be maintained and their

economic status needs to be improved. However, increasing deforestation and depletion of natural resources is a cause of concern in the era of climate change. This MoU is need of the hour in which both the institutions jointly support each other for the benefit of the Koraput region, especially for tribals' life and livelihood."

This is a renewal of an earlier MoU signed between the two institutions for the period 2017-2020 on the basis of which they

cooperated in promoting mutual academic interest, providing expert support for tribal welfare and community development, undertaking collaborative research, exchanging academic information and resources and using academia infrastructure and organising lectures, conferences and seminars. Dr Mohapatro hoped that the renewed of MoU would help promote the language, literature, art, culture and livelihood of tribals.

CUO pact to help uplift tribals

It is the renewal of an MoU signed between Central University of Odisha, Koraput and Council of Analytical Tribal Studies, Koraput for 2017-2020

POST NEWS NETWORK

Bhubaneswar, Feb 20: The Central University of Odisha (CUO) and the Council of Analytical Tribal Studies (COATS), Koraput, signed a Memorandum of Understanding (MoU) Sunday for next three years to collaborate on research and development concerning tribals and tribal areas of Odisha, especially the undivided district of Koraput.

CUO Registrar Asit Kumar Das and COATS Director PC Mohapatro signed and exchanged the MoU in the presence of CUO Vice-Chancellor In-Charge SK Palita, COATS Professor Jagabandhu Samal and officials and faculty members of both the institutions.

Expressing the MoU's interest towards focused areas of social sciences, biodiversity, and journalism, Palita highlighted its role in promoting the development of the marginalised sections of the society. He said, "In the recent NITI Ayog survey, Koraput has been placed as the number one or most improved aspirational district of the country in the field of education. The culture and traditions of the tribals need to be maintained and their economic status needs to be improved."

"However, increasing deforestation and depletion of natural resources are cases of concern in

the era of climate change. Signing the MoU was the need of the hour in which both the institutions would support each other for the benefit of Koraput region, especially for tribals' life and livelihood," he added.

This is the renewal of the earlier MoU signed between the two premier institutions of academic excellence for the period 2017-2020 on the basis of which they cooperated in promoting mutual academic interest, providing expert support for tribal welfare and community development by undertaking collaborative research, exchanging academic information and resources, and using academia infrastructure and organising lectures, conferences and seminars.

Mohapatro hoped that the renewal of the MoU will help promote the language, literature, art, culture and livelihood of tribals.

Registrar Asit Kumar Das was highly optimistic of the MoU and promised that CUO will do its best to redefine academic areas, make inroads into new frontiers and earn a new name for the Koraput region.

In the recent NITI Ayog survey, Koraput has been placed as the number one or most improved aspirational district of the country in the field of education. The culture and traditions of the tribals need to be maintained and their economic status needs to be improved. However, increasing deforestation and depletion of natural resources are cases of concern in the era of climate change. Signing the MoU was the need of the hour in which both the institutions would support each other for the benefit of Koraput region, especially for tribals' life and livelihood
