APPEAL TO STUDENTS OF THE UNIVERSITY

My dear students,

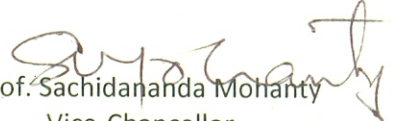

You all are aware that Mr. Prakash Javadekar, the Hon'ble Union Minister for Human Resource Development has launched a campaign - VITTIYA SAKSHARATA ABHIYAN (VISAKA) for promoting a digital economy through youth volunteers from the higher educational institutions of the country.

Participation in the campaign by the students of the higher educational institutions is appropriate as they are the beneficiaries in creating a digital economy.

I invite enthusiastic students to become the volunteers for this campaign. Action plan as envisaged by Human Resource Development for higher educational institutions is available in the University website. The volunteers can start the work from their house and would try to convince other at least 10 households. Students may explain to household members how to make payments cash-less and the mode of use of credit /debit cards, USSD, AEPS, UPI and wallet. If necessary they may demonstrate to them to have hands on experience.

A website has been launched in www.mhrd.gov.in/visaka which provides for downloading material, registration of volunteers, giving feedback etc.,.

All students are requested to participate as volunteers for successful campaign in making cash less economy of India.
