Notification for the Intermediary Semester students: Academic Year- 2020-21

Dear Students,

It is hereby informed to you all that the departments are going to open from July 1, 2020. For your academic progress, University has decided to arrange remedial classes from July 1 – August 14, 2020. For remedial classes, each department will prepare a time table. Departments will not take these classes during the time when terminal semester students' examination will be conducted.

End-term Home Based Open Book Examinations (HBOBE) for students of the intermediary semesters will be conducted from August 17-26, 2020.

As per the earlier notification of the academic calendar for 2020-21, the registration date is from August 10 - 14, 2020. Looking in to the present COVID-19 situation, University decided to declare the date of registration for the intermediary semester students later after the end of the end-term examination. So, students should not be worried about the payment of the registration fee now.

Students of the intermediary semesters may also encourage planning for their future dissertation/project/internship topic. Students encouraged to register for online courses under MOOC course (through SWAYAM platforms or any other). You may please inform the respective Head of the Department. After the completion of that course, the course and its credit will be reflected in grade sheet as per the rules in this regard.

All are requested to make efforts about health awareness and preparedness about COVID-19, for personal safety and community safety.

Stay home, stay safe, stay online for updates.
