

CENTRAL UNIVERSITY OF ODISHA, KORAPUT
OFFICE OF THE PUBLIC RELATIONS
PRESS RELEASE, 18.07.2022

Three Day First Aid Training' programme at CUO concluded

A 'Three Day First Aid Training' programme for security personnel started from 15 July 2022 and concluded on 17 July 2022 at the Central University of Odisha. Prof. S. K. Palita, Vice-Chancellor I/c delivered the valedictory address. He is of the opinion that first aid training at the University is not an end; it is the real beginning of the training for the participants. This training programme will further extend to students, which will spread awareness to their families. He appreciated the Security Officer for organizing such an important and useful programme for the real heroes of the ground.

Twenty-five members of the Security staff of the University were trained on different aspects of First Aid by Mr. Ganesh Barik, Master Trainer from St. John Ambulance Odisha State on this occasion. The training broadly covered bleeding control, Cardio-Pulmonary Resuscitation (CPR), Poison/Snake Bite/Dog bite management and Lifting and Moving techniques. It is mentioned that Cardio-Pulmonary Resuscitation (CPR) is a lifesaving technique that's useful in many emergencies, such as a heart attack or near drowning, in which someone's breathing or heartbeat has stopped.

Master trainer Mr. Ganesh Barik from St. John Ambulance Odisha State was felicitated by Prof. Palita the Vice-Chancellor I/c. Shri Pradeep Kumar Samantray extended the vote of thanks. University medical Officer Dr. Veera Prasad among the trainee was present on the occasion.

Dr. Phagunath Bhoi, Public Relations Officer
