CUO to join CUET for UG, PG courses

POST NEWS NETWORK

Bhubaneswar, May 4: The Union Ministry of Education has directed all Central Universities to join the Common University Entrance Test-2022 [CUET (UG)-2022] for admission into the undergraduate programmes.

The responsibility of conducting the CUET (UG)-2022 has been given to the National Testing Agency (NTA), an independent organisation, established under the Ministry of Education (MoE) with a vision to provide a common platform and equal opportunities to candidates across the country especially those from rural and remote areas.

This was revealed by Sharat Kumar Palita, Vice Chancellor (I/c), Central University of Odisha, Koraput, at a press conference here Wednesday Dr. Ram Shankar, the controller of examinations and the nodal officer for CUET & Admissions: 2022.

Palita expressed confidence that the CUET will help attract talents from the hinterland of Odisha and also from different corners of the country.

The role of NTA is confined to registration of candidates, conduct of the test, hosting the answer keys, inviting challenges, finalising the answer keys, preparing and declaring the result and hosting the score cards, he said.

The merit lists will be prepared by the participating universities. The universities will have their individual counselling on the basis The responsibility of conducting the CUET (UG)-2022 has been given to the National Testing Agency (NTA), an independent organisation, established under the Ministry of Education

of the score cards provided by the NTA and final merit lists will be prepared as per the reservation rules and other eligibility criteria specified in the respective university's prospectus, he added.

The CUO has decided to join the CUET (UG)-2022 for which advertisement has already been made. This apart, the university has also decided to join the CUET (PG)-2022. For CUET (UG)-2022, there is only a 5-yr integrated programme in Mathematics while under the CUET (PG), there will be 12 postgraduate programmes and a BEd programme.

Ram Shankar said that for conducting the entrance test, the NTA has set up 28 centres across Odisha. The details regarding the mode of the test, medium of examination, pattern of question, test design and examination scheme are available in NTA website (www.nta.ac.jn) and also in the website of the Central University of Odisha (www.cuo.ac.in).

Central University of Odisha joins CUET-2022

Hemanta Pradhan | TNN | May 5, 2022, 08:56 IST

CUO press meet: Vice-chancellor-in-charge of CUO Sharat Kuamr Palita.

CUO press meet: Vice-chancellor-in-charge of CUO Sharat Kuamr Palita.

BHUBANESWAR: The Central University of Odisha (CUO), Koraput, has joined the Common University Entrance Test (undergraduate) (CUET (UG)-2022) for admission into the undergraduate programmes.

For the session 2022, joining the CUET (PG) has not been made mandatory for the Central universities. But CUO has decided to join the CUET (PG)-2022.

The National Testing Agency (NTA), an organisation established under the ministry of education, will conduct the CUET (UG)-2022 for all Central universities. Starting from registration of candidates for the test to declaring the result and hosting the score card, this agency will take the responsibility.

However, the participating universities will prepare the merit list and hold counselling on the basis of the scorecard provided by the NTA. Final merit list will be prepared according to the reservation rules and other eligibility criteria specified in the respective university's prospectus.

"This year, CUO will offer only one programme, a five-year integrated mathematics, to the students who come through CUET(UG)-2022, while it will offer 12 PG programmes and one BEd programme under CUET (PG)," said Ram Shankar, nodal officer, CUET and Admissions 2022, CUO, at a press conference here on Wednesday.

Sharat Kumar Palita, vice-chancellor (in-charge), CUO, said the NTA will conduct CUET at 28 examination centres across Odisha through computer-based test (CBT) mode. "Students who are planning to get admission can apply for the CUET soon. For more information, they can visit the NTA website, CUO website and dial helpline numbers," he added.

Palita expressed his optimism that this process will not only help attract talents from the hinterland of Odisha, but also from different corners of the country.

Official sources said CUET will be conducted in July this year. Students can take admission in any of the 45 Central universities across the country by appearing for a single entrance examination unlike earlier. Last date for online registration and submission of application for CUET (UG)-2022 is May 6. Students will answer multiple choice questions in two slots. They can appear for the examination in 13 languages.

Bhubaneswar/Jeypore: With the slogan "One Nation-One Test", the Ministry of Education (MoE) has directed all the Central Universities to join the Common University Entrance: 2022 [CUET(UG)-2022] for admission into the Undergraduate Programmes in Computer Based Test (CBT) mode. However, for the session 2022, joining the CUET (PG): 2022 programmes has not been made mandatory for the Central Universities (CUs).

The responsibility of for conducting the CUET (UG): 2022 for all Central Universities has been given to the National Testing Agency (NTA), an independent, self-sustained premier organization established under Ministry of Education (MoE) with a vision to provide a common platform and equal opportunities to candidates across the country especially those from rural and other remote areas.

A single Examination will enable candidates to cover a wide outreach. The role of NTA is confined to registration of candidates, conduct of the test, hosting the answer keys, inviting challenges, finalizing the answer keys, preparing and declaring the result and hosting the Score Card. The merit list will be prepared by the participating Universities.

The Universities will have their individual counselling on the basis of the score card provided by the NTA and final merit list will be prepared as per the reservation rules and other eligibility criteria specified in the respective University's Prospectus.

The Central University of Odisha (CUO) at Koraput, Odisha has joined CUET (UG): 2022 for which advertisement has already been made and has also decided to join the CUET (PG): 2022.

For CUET (UG): 2022, there is only one programme i.e. 5 yr Integrated Mathematics, whereas under CUET (PG), there will be 12 PG programmes and one B.Ed. programme. For conducting the Entrance Test, the NTA has come out with 28 centres throughout the length and breadth of the state of Odisha.

The details regarding the mode of the test, medium of examination, pattern of question, test design and examination scheme are available in NTA website (www.nta.ac.in) and also in the website of the Central University of Odisha (www.cuo.ac.in).

Students planning to get admission are advised to apply for the CUET soon. The Central University of Odisha has established an Admission Cell and started admission helpline. Students may contact at 9668887305/8144744270 and admission2022@cuo.ac.in Professor, Sharat Kumar Palita, Vice Chancellor (I/c), Central University of Odisha expressed his optimism that this process will not only help attract talents from the hinterland of Odisha, but also from different corners of the country.
