Koraput university gets a permanent VC after 9 mnths

TNN | Dec 7, 2019, 04.51 AM IST

Koraput: After being run by an in-charge vice-chancellor (VC) for over nine months, the Central University of Odisha (CUO) situated at Sunabeda in Koraput district got its permanent VC with the joining of I Ramabrahmam on Friday.

Ramabrahmam is the third regular VC of the CUO, which was established in 2009. He will have a term of five years from the date of his joining or till he attains the age of 70, whichever is earlier, read a communication by the Union ministry of human resource and development to the university registrar.

Prior to joining as the VC of CUO, Ramabrahmam was the senior faculty member in the department of political science, school of social sciences at University of Hyderabad, read a varsity release. He has more than 30 years of teaching experience and has got over 100 research papers published in national and international journals. Also, he has supervised more than 20 scholars and completed many research projects, it read.

Even after a decade of its establishment, the CUO is grappling with shortage of teaching staff. Out of the 154 sanctioned posts of teaching staff, including professors, associate professors and assistant professors, the varsity has only one associate professor and 16 assistant professors for 14 departments.

“The acute shortage of teaching staff has hit the academic activities in the varsity,” said a teacher.

Expressing concern over the pathetic condition of the varsity, Koraput MP Saptagiri Ulaka had raised the issue in Parliament, stating that the CUO is the only varsity in the country without a professor and had demanded necessary steps to fill up the vacant teaching posts.

Though the varsity authorities had given advertisements for the appointment of as many as 81 teaching posts, including 14 posts of professors, 25 posts of associate professors and 42 posts of assistant professors in August, not a single appointment has been done yet.
