Sanskrit is not only the finest and best creation of this Universe, but also the precious most treasure of knowledge and wisdom for the sustenance and growth of human civilization. Sanskrit has immense potentials, if properly deciphered and utilized, and shall illuminate the world in general and our country Bharat in particular a peaceful and progressive human society. Because Sanskrit, unlike other languages of this universe endears four most relevant ingredients in the shape of her Body, the Language, the Beauty the Literature, the heart is the Philosophy and the Mind, her Science.

Hence, during most jubilant National year, while our country observes 75th year of Independence the Azadi ka Amrit Mahotsava and simultaneously the world leadership through G20 Presidency, the Central University of Odisha has decided to organize a very meaningful International Conference on the ‘‘Relevance of Sanskrit in India and Abroad’’.
