Sir,

I am to inform to any public works organisations of the State/Central Government that the Central University of Orissa has been established in Koraput Dist. At Sunabeda, in the year 2009 by Act of Parliament. The campus development and infrastructural development are in progress. The campus is being built up over an area of 437.30 acres. As on to date few Buildings like Guest House, Academic Block, Boys Hostel, Girls' Hostel and Library Block have constructed. Four Departments including Teachers Education is functioning in new campus at Sunabeda.

The immediate need of the students is for e- learning and inters Net communication. In brief a scope of works may be as follows:

- 1. The scope of work includes, field Survey**
- 2. LAN set-up,**
- 3. Supply of active and passive Components of established standard**
- 4. Installation and commissioning of LAN.**
- 5. UTP/, OFC cabling system,**
- 6. WI-FI supply and installation**
- 7. Provide access points with controlling system with Firewall.**
- 8. EPABX installation at Guest House with extention of Telephonic facilities in the campus.**

I would request the esteemed Organisation to kindly execute the work as a deposit **work** for complete A to Z solution to provide LAN, WI-FI, Inter Net, EPABX exchange Telephonic facilities to the University.

In this connection it is pertinent to inform you that the University has availed dedicated I- GB link facilities through BSNL, further Router of Juniper make has been procured through NIC. Besides, this office has purchased 10 KVA and 5 KVA backups. Keeping in view the scope of works and available resources of University, I would request you to kindly extend your co-operation to this prestigious institution established in a scheduled Area.

The organisation concerned is requested to kindly submit an estimate assessing our requirement in the field through a detailed survey for further action at this end.

An early and immediate response in the matter is solicited.
